PETITION TO CORRECT NAME OF INVENTORS
(37 C.F.R. § 1.182; M.P.E.P. 605.04(b))

MAIL STOP 313(c)
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants petition to correct the names of certain inventors in the above-identified application. Previous declarations filed in the application did not contain the full name for Geoff Foley or Jack Yanus. Applicants petition that:

"Geoff Foley" be corrected to "Geoffrey M. T. Foley"; and

"Jack Yanus" be corrected to "John F. Yanus"

REMARKS

On December 19, 2005, Applicants submitted a petition under 37 CFR 1.48(a) to correct the inventorship on the application and delete Robert C.U. Yu as an inventor. A declaration by each of the actual inventors accompanied the petition. Two of the typed names appear as Geoff Foley and John F. Yanus. Mr. Foley signed the declaration Geoffrey M. T. Foley.

On January 11, 2006, after the issue fee had been paid, the Examiner found Applicants' petition under § 1.48(a) to be deficient for, among other reasons, listing John F. Yanus, whose name was not listed on previous declarations, and for not identifying Mr. Foley by full name.

Applicants concurrently file a petition to withdraw U.S. Application No. 10/734,380 from issue, after the issue fee has been paid, in consideration of a request for continued examination (RCE). As part of the submission accompanying the RCE, Applicants submit this petition to correct the names of Mr. Foley and Mr. Yanus, who were not correctly identified by their full name in one or more declarations filed in the '380 application. Applicants petition that Geoff Foley be changed to Geoffrey M. T. Foley, as signed by Mr. Foley in the declaration filed on December 19, 2005. Applicants also petition that Mr. Yanus' name, which was incorrectly given as Jack Yanus in declarations filed on December 12, 2003, April 22, 2004, and February 11, 2005, be corrected to John F. Yanus as it appears in the declaration filed on December 19, 2005.

Applicants also submit with this petition a supplemental application data sheet showing the correct names of the inventors.
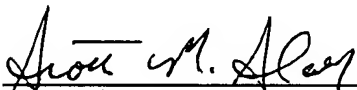

As required under 37 C.F.R. § 1.17(f), payment for the filing of this Petition is as follows:
